## How to boost your email conversions immediately...

If you're looking to boost your conversion rates and get more sales with your mailing list, then here's something you ought to know: one email isn't going to give you great results. And this is especially true if you're emailing people who have just joined your list.

Here's the problem...

They don't know you. They don't trust you. And so, they're not very eager to click on any of your links or buy your offers until you've built up this trust.

What's more, most people don't purchase an offer until they've seen it multiple times. So even if your subscriber trusts you, they might not be ready to purchase the first one or two times they see your offer. That's why sending multiple emails can boost your conversion rates and generate more sales. '

So, what does the perfect four-part conversion-boosting email series look like? You're in luck – not only do you get an example below, you can swipe all four of these templates and put them to work for you.

This particular series is based around delivering a freemium that's related to the paid offer, and then putting an enticing special deal in front of the prospect for that paid offer.

For example, let's suppose you're selling a set of bodybuilding training videos. So, you offer a freemium, such as one of those training videos for free. Here's what your email series would look like:

- Email 1: Welcome and Free Offer Delivery. Here's where you deliver the free video, and then you remind them of the benefits of this free video. The idea here is to get them excited about the free offer so that they put it to use right away. This does two things:
  1. Builds trust and satisfaction. If they like what they see in the free offer, then they're going to be more open to your paid offer.

# THE PERFECT 4-PART EMAIL TEMPLATE

2. Gives them an opportunity to see your calls to action. Your free offer is going to have a call to action to purchase the main offer. Your follow up emails are going to showcase this same offer. This lets you put this offer in front of your prospect multiple times in multiple ways, which helps boost conversions.

- Email 2: Massive Discount or Special Offer. Here's where you offer your prospects an irresistible deal if they purchase the paid product. For example, maybe you'll offer a limited-time 50% discount on the full video set.
- Email 3: Unadvertised Incentive. This is where you sweeten the pot by offering an extra bonus or other incentive that's not mentioned on the sales page. In this bodybuilding video set example, perhaps you'd offer an extra set of advanced videos for free.
- Email 4: Last Chance To Buy. Now you really kick up the urgency a notch by reminding prospects that their offer is closing soon. Remind them of the discount. Remind them of the unadvertised incentive. Then provide one last call to action to persuade them to take advantage of this fantastic offer.

Now let's look at these emails in action. Here's the set of four templates you can swipe and use for your own series...

## Email 1: Welcome and Product Delivery

Subject line: Download [Name of Free Product] inside...

Hi [First Name],

Thank you for claiming your free copy of [name of product]. You can download it right now at [download link].

I think you're going to really enjoy [using this type of product, e.g., "app," "ebook," etc.]. That's because this [type of product] is the surefire way to [get some specific benefit].

And that's not all. Here's what else you get:

- You'll discover the secrets of [getting some benefit].
- You'll find out a surprising way to [get another benefit].
- You'll even find out the quick and easy way to [get some other benefit].
